**EXAMINER'S AMENDMENT and REASONS FOR ALLOWANCE**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Majid S. AlBassam (Reg. No. 54,749) on 09-29-2004.

The application has been amended as follows:

In the claim:

Cancel claim 25.

2. Claims 1-24 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1, 6, 11, 16, 19, and 22 include the limitation of snooping the data packet before the data packet is stored in a memory buffer of the network device to determine a packet size, aggregating the packet size to generate a total number of data packets within a burst if the packet size exceeds a predetermined packet size, and lowering a threshold of the memory buffer to a

reset threshold if the total number of data packets exceeds a predetermined number of consecutive data packets, which is not shown by the prior art of record in the combination as disclosed and claimed.

The examiner interpreted the claims in light of the specification and in view of Applicant's persuasive arguments that "The claimed invention allows the system to look ahead and make appropriated determinations or changes *before the data packet enters the buffer memory* of the network device" and "Kalkunte fails to disclose determining whether an incoming packet size exceeds a predetermined data packet size,... comparing the total number of data packets within a burst to a predetermined number of consecutive data packets within the burst" (pages 15-16 of the Remarks).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
